

VICTORIA PAGA
FEBRUARY NEWSLETTER
February 15, 2010

LOCAL NEWS:

Hello Everyone, Happy Belated Valentine's Day Wishes.

Our meeting on February 10th was very productive and will e-mail the minutes tomorrow.

We voted to donate \$100 to the Food Bank. The presentation was made by Hector Valderaz at the Club Westerner and announcement of our donation by Alex Lopez. Hector said our donation had a domino effect and \$1625.00 was raised for the food bank. He was very proud that we could do this for our community.

The photo session and signing of papers for our golf endowment was held at UHV on, Thursday, February 11th. The announcement will be in the Victoria Advocate soon.

Richard Reyes continues to improve daily. He said lots of medical procedures were performed on him, so he feels that his recovery time will be a slow process. Please keep him in your prayers.

Hall of Honor: Chairman Alex Lopez and Raymond Saenz have started the ball rolling. The first wall display will be the Charter Members.

NATIONAL NEWS:

If you are planning to attend the San Angelo Winter Meeting, the deadline for paying the registration fee is Thursday, February 18th. All the information on hotels and golf courses is posted on the National webpage, www.npaga.org.

Our chapter showed their support by paying \$100.00 for a half page ad in their program.

If you are planning to attend the 2010 National Convention and Tournament hosted by the Dallas Chapter, July 27-30, 2010, the information is on the National webpage.

TOURNAMENT DIRECTOR REPORT:

The last outing was at Riverside on Super Bowl Sunday and 17 members showed up. Although the weather was chilly Hector reported that it was still a fun day.

Next outing is on February 21 at Colony Creek at 10:00 AM. Please let Hector know if you plan to participate.

Our Annual Scholarship Tournament will be on June 5, 2010. So, please be talking it up and getting people motivated to play in it. We are reserving the course at their monthly meeting on February 15. When we reserve the course, we guarantee them 112 green fees, therefore, we will need all the help we can muster to get a good showing. Dr. Tim Hudson, President of UHV has informed us that he will help us. **LET'S GET THE WORD OUT EARLY.**
