VICTORIA PAGA MARCH NEWSLETTER

NATIONAL NEWS: Raymond and I just returned from San Angelo and, as usual, it was wonderful to see many of our friends. We both attended the delegates meeting; my part was to represent the NPAGA Women's Committee. Thank you to Dr. Mary Mayorga for donating two baskets to the Women's Committee for the raffle which raises money for scholarships that are awarded before each National. This year, we will give (4) \$500.00 scholarships.

If any member has a graduating senior, grandchildren or know of anyone whose child may wish to apply for these scholarships, the application is on the NPAGA website www.npapa.com and look at Women's Committee link. The NPAGA (men's group) also awards scholarships annually and that info is on the website. If you have questions, please call me at 575-8827 or e-mail me.

LOCAL NEWS:

Our Annual Scholarship Tournament is fast approaching, June 5th, and will need help in getting 2-person teams to participate, as well as hole sponsors, door prizes, raffle items and lots of hours of planning. Hector Valderaz and his committee will be organizing a meeting soon, so please let's all help them out by attending this meeting. WE ARE A TEAM.....SO WE ALL NEED TO GET INVOLVED AND MAKE IT A SUCCESSFUL ONE.

Message from Tournament Director: Our next outing is on Saturday, March 27th at 10:00 AM at Riverside. Please arrive 30 minutes early. My committee and I will soon start making plans for our Club Championship. We will give you the details as soon as we have them.

Good News on Richard Reyes: Recently, my family was at Red Lobster and much to our delight, we saw Richard and Rose Reyes leaving the restaurant. Richard looked very well, said it has been a slow process for him and is taking it a day at a time and wishing for a full recovery in the near future. Let's continue to pray for Richard and his family.

Our condolences to the Gomez Family: I believe many of us remember Steve Gomez, as a member, friend and someone that would not give up. We wish to express our condolences and heartfelt sorrow on his passing after a courageous battle with cancer. Our thoughts and prayers are with his family.

Hall of Honor: Alex Lopez, Chairman, encourages everyone that feel they qualify for the Hall of Honor to call him if you need assistance. You should have 25 years of membership with our club and plus have been an officer, committee chair or member, won tournaments at the National and local level and various other involvement. For those that are selected, his committee is planning to display the framed photo on a "Hall of Honor" wall in the clubhouse which should be very impressive to those that visit our clubhouse.
