There were 15 of our avid golfers that headed to Rio Colorado on Saturday, June 18th determined to win the cup back from the Brazoria County Chapter and they were victorious!!! We won 8 matches to their 7 matches. Hector Valderaz wants to thank the following members for participating: Sal Perez, John Gonzales, Viola Saenz, Dan Svatek, Ken Miles, Joe Olguin, Daniel Chavarria, Juan Chagoya, Joe Vasquez, Ted Garcia, Greg Kutac, Steve Richmond, Marty Gonzales and Fred Lara. Those that won skins were Dan Svatek, Joe Vasquez, Fred Lara, Ken Miles, Ted Garcia and Steve Richmond. The cup will be displayed at our clubhouse!! Hector did a fantastic job putting it together and we want to thank him for a job well done!

Hector reports that the Club Championship matches are almost done. There are a couple of teams that have not finished due to work out of town.

President Fred Martinez is asking for volunteers to work at the Hooters Tournament to be held at the Victoria Country Club from June 30th thru July 3rd. He thanks the ones that have already registered with him. We will be spotting balls for the golfers on certain holes. Those that work will get a free round of golf.

We ask for your prayers for two of our members who are ill. Richard Reyes had a kidney transplant and we wish him a speedy recovery. Richie says his Dad is doing very well.

Another ill member is Richard Martinez. He was stricken with Bells Palsy last week while in Mississippi. He went to an emergency room and Lizzie, his daughter, says she wants a speedy recovery for her Dad. Let's keep Richard in our prayers as well.

Congratulations go out to Tracy Vega, Benny Vega's daughter, who just graduated from Cypress High School. She plans to pursue the nursing program at Texas A&M!! That a way to go Tracy!!

The Junior Golf Clinic was held at Riverside Golf Course, June 13-15, 2011 and three PAGA members came out to help. They were our President Fred Martinez, Amy Miles and Viola Saenz. Fred was the chef for the day on Tuesday when he grilled hamburgers and hot dogs for the kids and parents. Our club received many compliments from the kids, their parents, grandparents and those that were playing golf at Riverside on Tuesday. They all said it was awesome that our club participated in the clinic. We had 40 kids that attended with about 16 parents that helped. We were very fortunate to have two golf professionals assist us. They were golf Coach Brian Williamson from UHV and Keith Krueger from Cuero. Academy Sports donated 10 cases of water and Joe Flores, Jr. with Edwin Watts donated some ditty bags, tees and bag tags for the kids. We appreciate their generosity very much.

NATIONAL NEWS:

The deadline for registering for the National is June 29th. Please let Genaro know if you are planning to attend.

As I write this newsletter, I have to say that we are very blessed to finally get rain for our yards, as well as farmers for their crops, golf courses and everyone else that had been praying for it! It is pouring down and hope it continues for a few days.

Do you have any news you wish to share? If you have any graduating seniors you wish to recognize, please let me know.
